Exceptional Journeys

MAXUS

MIFA 7 eMPV
Get Comfortable With It

The Maxus MIFA 7 is a versatile and stylish eMPV that excels in comfort and space. With seating for up to seven passengers, it offers generous room and a refined interior, featuring premium materials and advanced technology. The MIFA 7 eMPV is designed for both everyday convenience and long-distance travel, combining a smooth ride with modern features to enhance every journey.

Power Up in Minutes

Recharge from 5% to 80%
in 40 minutes with a
Direct Current (DC) charger.

Busk in boundless views

The panoramic roof floods the cabin with natural light, offering breathtaking skyward views. It adds a touch of luxury, making every journey more enjoyable.

Spacious Third Row Comfort for all

Enjoy generous legroom and headroom in the third row, ensuring comfort for every passenger. With easy access and plush cushioning, long journeys are a pleasure for both adults and kids alike.

Drive smarter with intuitive infotainment

Experience enhanced driving with dual 12.3-inch high-resolution screens, featuring a driver's display and infotainment system. Effortlessly access navigation, media, and vehicle information, ensuring a seamless and intuitive journey.

The driver's cockpit delivers exceptional comfort with its ergonomic design, adjustable seat, and customizable steering wheel. Premium materials and intuitive controls create a relaxed, enjoyable driving experience.

Immaculate Speakers

Boasting 8 premium JBL speakers, blending stylish design with superior audio quality for an elevated driving experience.

Stay Connected

The wireless charging pad keeps passenger devices powered and accessible, eliminating cable clutter for a seamless, connected journey.

Sharp, Sophisticated, Illuminating Design

The headlights feature a sharp, modern design with advanced lighting technology, offering bright illumination and a sophisticated look that enhances visibility and road presence.

Bold, Sleek, Modern

The sleek rear lights feature a modern design that enhances visibility and adds a touch of sophistication, ensuring both safety and style on the road.

Effortless Grip, Refined Style

The door handles blend seamlessly with the sleek exterior, offering a clean, aerodynamic look while popping out with a touch for added convenience.

Dynamic wheels for a Commanding Presence

The 18-inch multi-spoke alloy wheels with aerodynamic wheel covers offer a bold, stylish look while enhancing handling and performance.

Driver Assistance Systems

The Maxus MIFA 7 eMPV is equipped with advanced driver assistance systems, including Adaptive Cruise Control, Lane-Keeping Assist, and Automated Emergency Braking, all designed to enhance safety. With selectable driving modes—Normal, Power, and Eco—you can customize your driving experience for different conditions and preferences, ensuring a smooth and secure journey.

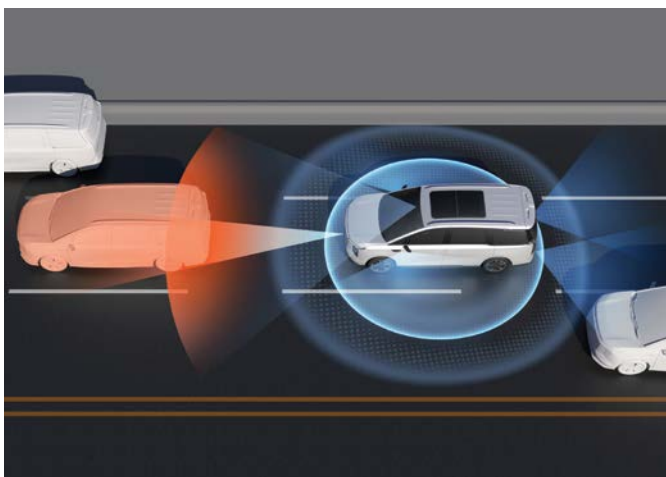

360 Degree Panoramic Camera

This camera system offers a comprehensive view around the vehicle, enhancing visibility and making parking and maneuvering in tight spaces easier and safer.

Autonomous Emergency Braking

Utilizes front and rear sensors to detect nearby obstacles. If the driver does not react in time, the system automatically applies the brakes to prevent a collision.

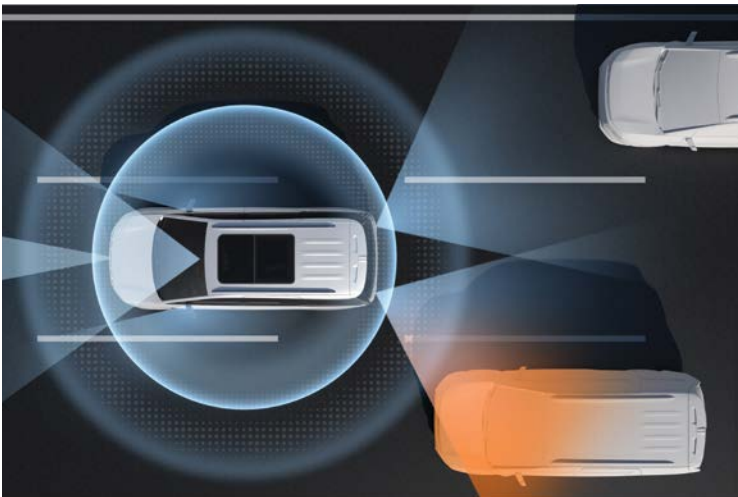

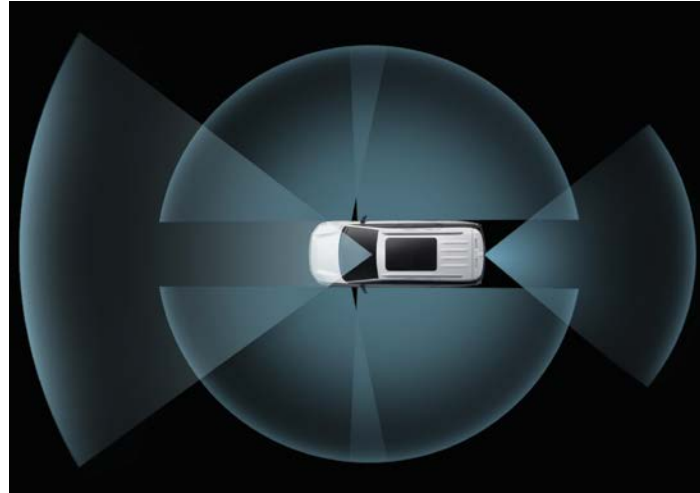

Adaptive Cruise Control

Utilizes radar to automatically adjust your vehicle's speed, maintaining a safe distance from the car ahead.

Rear Cross Traffic Alert

Employs sensors to detect vehicles or pedestrians crossing behind the vehicle while reversing.

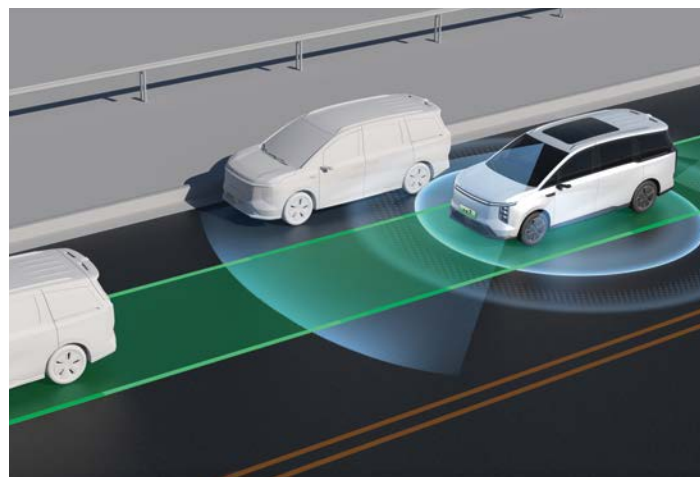

360 Degree Blind Spot Monitoring

Know what is going on all around the vehicle with blind spot monitoring, ensuring a safe trip down crowded streets.

Lane Keep Assist

Utilizes cameras to monitor the vehicle's position and automatically adjusts steering to keep the vehicle within its lane.

Configurable Seats, Effortless Loading

With configurable rear seats and an electric tailgate, loading luggage or shopping bags will never be a hassle again. Adjustable seats allows you to load large, odd shaped items for your journey with ease.

Without adjusting the seats, the MIFA 7 can accommodate 3 suitcases in the rear boot.

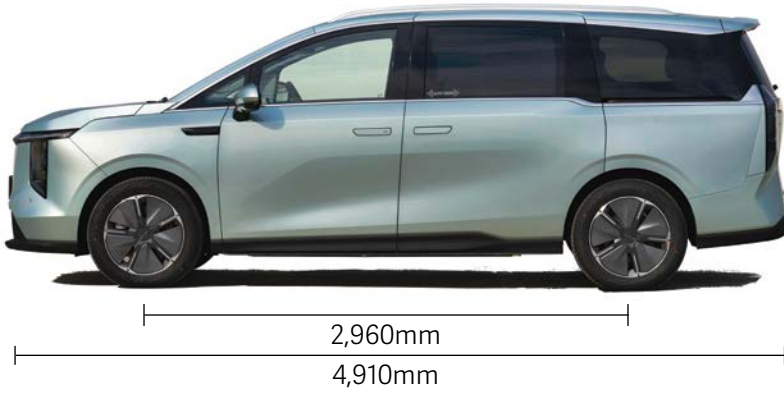

Configurable seats allow different configurations by folding down 1 or 2 rear seats and still seat 6 passengers.

Folding down all rear seats allows ample room for unique and oddly shaped belongings while maintaining comfort within the vehicle.
